

**OFFICER VACANCY ANNOUNCEMENT
FOR INITIAL APPOINTMENT/APPOINTMENT TO THE
TEXAS AIR NATIONAL GUARD**

POSITION: Family Physician

ANNOUNCEMENT: 149-10-16

LOCATION: Lackland AFB, Texas

ISSUE DATE: 1 March 2010

GRADE: CAPT – LT COL

CLOSING DATE: UNTIL FILLED

AFSC: 44F3

****SEE REVERSE FOR SUMMARY OF MINIMUM POSITION
QUALIFICATIONS****

Selecting Official: Col Kenneth Nereson, Wing Commander

HOW TO APPLY: USAF, AF Reserves or ANG commissioned officers will submit a completed AF Form 1288 (Application for Reserve Assignment), copies of the last three OPR's, current Fitness Test results, Record Review Rip, resume, and letter of introduction. Letters of recommendation should also be included. The AF Form 1288 and Record Review Rip can be obtained from your servicing Forces Support Squadron.

All other applicants will submit a completed AF Form 24 (Application for Appointment), Air Force Officer Qualifications Test (AFOQT) scores, certified college transcripts, and a personal resume. AF Form 24 and resume will be detailed chronologically of civilian and military experience with special emphasis on areas of experience and education related to position applying for.

PERSONAL INTERVIEWS: Applicants must be available for interview. Applications will be reviewed and qualified applicants will be notified to meet the Selection Board. Applicants will be notified by phone/mail of interview time and place. Payment for travel is **NOT AUTHORIZED**.

NOTE: The Adjutant General will not look favorably upon personnel who apply and are selected for a position in one geographical area and subsequently request to be transferred to another area because of the commuting distance involved. All applicants will receive consideration for this position without regard to race, religion, color, national origin, sex, political affiliation, kinship, and other non-merit factors.

SPECIALTY SUMMARY: Provides continuing, comprehensive health maintenance and medical care to entire family regardless of sex, age, or type of problem. Directs outpatient and inpatient care and services. Instructs other health care providers and nonmedical personnel. Related DoD Occupational Group: 260105.

DUTIES AND RESPONSIBILITIES: Maintains a program of comprehensive health for the family unit, to include preventive medicine, behavioral sciences, and community health. Prepares and reviews medical histories and obtains data through interviews. Assembles triages and evacuates sick and wounded personnel. Examines patients, formulates differential diagnostic plans, defines and orders required diagnostic testing. Interprets examination findings and test results, and implements treatment plans. Determines need for consultation and assists in medical care and treatment provided at the direction of other specialists. Manages family practice inpatients, conducts ward rounds, and prescribes inpatient therapy. Participates in surgical, obstetrical, gynecological and critical care procedures according to training and demonstrated ability. Provides supportive and definitive care to patients with serious medical and surgical conditions with appropriate consultation, based on documented and demonstrated proficiency. Manages family practice services for the health care of families. Formulates plans and procedures for operating outpatient and inpatient services directed toward health maintenance and ongoing health care of families by a physician who serves as their personal physician. Supervises and certifies the impaneling process of families according to local needs and resources. Schedules activities for the Family Practice Clinic, and assigns medical officers, nurses, and medical technicians. Determines needs for, and advises on kind and quantity of, medical supplies and equipment. Coordinates outpatient and inpatient services with other medical activities. Participates in committee direction of outpatient and inpatient health care services, as well as resource, facility, and logistics management. Instructs medical and non-medical personnel. Formulates medical training programs and instructs both medical and nonmedical personnel in a variety of health-related topics, including first-aid measures, basic and advanced cardiac life support, and health care maintenance. May teach family practice residents and medical students at military or affiliated civilian institutions.

SPECIALTY QUALIFICATIONS:

Knowledge. Fulfillment of education requirement satisfies this requirement.

Education. For entry into this specialty, a doctor of medicine or a doctor of osteopathy degree from an approved school of medicine or osteopathy, acceptable to the Surgeon General, HQ USAF, is mandatory.
